INTIMATES & APPAREL

Copyright In all of the material in the application from which this page was opened, and associated websites, including but not limited to information, artwork, text, maps, images, and photographs (herein referred to as "CONTENT"), is either owned by or administered by **SATIN & STONES** (for the purpose of this notice **SATIN & STONES** shall include **SATIN & STONES**, its employees, servants and agents).

Terms of Use Apart from any fair dealing for the purposes of study, research, criticism and review, as permitted under copyright legislation, no part of the CONTENT may be reproduced, reused or redistributed for any purpose whatsoever, or distributed to a third party for such purposes, without the written permission of **SATIN & STONES**. For such purposes as are permitted, you must acknowledge **SATIN & STONES** as the source of information and include any copyright notice originally included with the content in all copies. If permission is granted a link to **SATIN & STONES** must be included on all reproduced material.

You may not link directly to any **SATIN & STONES** hosted content or associated servers and you shall not attempt to pass off any of **SATIN & STONES** CONTENT as your own work.

All material published on this site is intended to be used for your personal use only and may not be used for commercial purposes without the prior written consent of **SATIN & STONES**. **SATIN & STONES** may charge a fee for the use of any content used for commercial purposes.

You further agree to not modify any CONTENT without the prior written permission of **SATIN & STONES**.

Privacy Policy This system uses cookies to store information on your computer. These cookies do not contain any personal data, they only serve to provide you with information tailored to your individual needs.

Third Party Sites and Links **SATIN & STONES** provides links that will send you to other sites. As such we have no control over such sites and resources. You acknowledge that **SATIN & STONES** is not responsible for the accuracy, copyright compliance, legality, decency, or any other aspect of the content of such sites.
